

Which QuickBooks® 2009 product is right for your client?

QuickBooks offers a full line of solutions to help your clients easily manage their business finances.

For clients with simple accounting needs.

QuickBooks Simple Start™

- Simplest way to track sales and expenses.
- Create professional looking invoices, estimates and sales receipts.
- Free Edition available.¹

For clients who need to manage their finances anytime, anywhere.

QuickBooks Online

- You and your clients can access financial data from work, home or on the road.²
- Full general ledger accounting and payroll.³
- Provides automatic software updates, data backup and technical support.

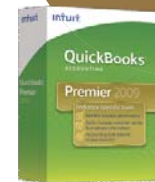

For clients who want to organize their finances all in one place.

QuickBooks Pro

- Full general ledger accounting, inventory and payroll.³
- Quickly create invoices and reports.
- Securely download transactions from more than 3,000 financial institutions.⁴
- Multi-currency functionality.

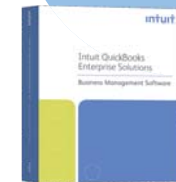

For clients who need tools specific to their industry.

QuickBooks Premier

- Features of Pro plus:
- Industry-specific reports.
 - Advanced tools for inventory and purchase orders.
 - Easily track time, expenses, and revenue by project.

For growing clients with unique business needs.

QuickBooks Enterprise Solutions

- Features of Pro & Premier plus:
- Add up to 30 users across multiple locations.
 - Control access to the company file with advanced user permissions.
 - A fraction of the cost of other systems.

Please Note:

Clients who need inventory control, online banking, multi-user access or the Accountant Copy feature should consider Pro.

Clients who need inventory, purchase order or forecast capabilities should consider Premier or Enterprise Solutions.

Clients who need advanced inventory, forecasting or reporting capabilities should consider Premier or Enterprise Solutions.

Clients who need more than five concurrent users, greater list capacity and advanced reporting should consider Enterprise Solutions.

Your clients might also consider Intuit's new line of business solutions that work seamlessly with Enterprise Solutions to streamline key business tasks beyond financial management.

1. Simple Start Free Edition allows user to track up to 20 customers. Simple Start cannot import data from prior versions of QuickBooks: Pro or Premier, Quicken or Peachtree.
 2. QuickBooks Online requires a computer with Microsoft Windows 2000, XP or Vista, an Internet connection (a high-speed connection is recommended), and at least Microsoft Internet Explorer 6. Availability subject to regular maintenance periods. Terms, condition, pricing, features and service options subject to change without notice.
 3. QuickBooks Payroll requires a subscription, EIN and Internet access.
 4. We authenticate your account with your financial institution, and then use secure data transmissions between your financial institution and Intuit.

What else might be right for your client?

There are additional Intuit products and services that could be of great use to your clients – specifically our **QuickBooks Point of Sale**, **QuickBooks Payroll**, **QuickBooks Merchant Services** and **MyCorporation** incorporation services.

These services can add substantial efficiencies to your clients' workflows and processes, as well as enhancing your opportunities to support them.

Visit www.accountant.intuit.com to learn more.

1. Simple Start Free Edition allows user to track up to 20 customers. Simple Start cannot import data from prior versions of QuickBooks: Pro or Premier, Quicken or Peachtree.

2. QuickBooks Payroll requires a subscription, EIN and Internet access. Additional fees apply to Direct Deposit.

3. Requires the purchase of additional single-user and/or multi-user packs to become multiple-user capable (one user per license).

4. For Pro and Premier; Requires subscription to Time Tracker service. 60-day free trial of QuickBooks Time Tracker online subscription is included. Requires Microsoft Outlook 2002, 2003 or 2007. Not available in QuickBooks Online Basic.

5. Available in Premier Professional Services, Contractor and Accountant Editions.

6. Enterprise Solutions allows you to add up to one million names (e.g. customers, vendors, employees) and up to one million items (e.g. inventory, non-inventory, and service items). Some performance degradation is likely as your lists approach these size thresholds.

7. Intuit Full Service Plan is good for 12 months from purchase. Enterprise Solutions support team available weekdays from 4 A.M.– 7 P.M. Pacific Time. Intuit reserves the right to limit each telephone contact to one hour and to one incident. Support availability subject to occasional downtime for systems and server maintenance, company events, observed U.S. holidays and events beyond our control. Terms, conditions, pricing, service offerings and availability of the Full Service Plan are subject to change at any time without notice.
